Panel 1: CCP PANEL

Cross-border Trading & Globalization of the Markets - CCPs' Views of the Challenges

Leaders from CCPs from the Americas, Asia-Pacific, and Europe launch the global industry dialogue on the challenges and complexities of clearing in today's rapidly transforming environment. This panel will discuss key drivers of change, including volume growth, the emergence of new liquidity pools, the increase of cross-border trading, and the interconnections between markets, instruments and liquidity pools.

	<p>The speakers will set the stage for the afternoon's workstreams by discussing how CCPs have been reacting to these trends.</p> <p>Speakers: <i>Donald F. Donahue, CEO and Chairman – DTCC</i> <i>Roger Liddell, CEO - LCH.Clearnet</i> <i>Sundararaman Ramamurthy, Senior Vice President - NSE</i> <i>Thomas Book, Member of the Eurex Executive Board - Eurex Clearing AG</i></p> <p>Moderator / Chairperson: <i>Amarilis Sardenberg, Chief Operating Officer - CBLC</i></p>
