

PRESS RELEASE

September 25, 2008

Completion of close-out transactions related to Lehman Brothers Japan Inc.

FOR RELEASE

1. This is to announce that JSCC has completed transactions necessary to close out unsettled clearing positions of Lehman Brothers Japan Inc. Those transactions include; buying/selling securities to meet obligations to other clearing members, resale/repurchase of outstanding positions on futures and options, and transfer of customer positions on futures and options.
2. The losses caused by those transactions are within the value of collateral deposited to JSCC by Lehman Brothers Japan Inc.
